

OFFICE ORDER

National Institute of Open Schooling (NIOS) is giving accreditation to schools/NGOs and other institutions as its AIs, AVIs and AAs. It has been seen that most of these institutions have not kept NIOS updated regarding the names of their coordinators, telephone numbers and addresses. This has caused a lot of difficulty for NIOS in contacting these institutions in order to address their problems timely, thereby also adversely affecting the interest of learners of NIOS.

It has been decided that all AIs, AVIs and AAs will furnish their e-mail IDs along with the names of their present Coordinators, exact postal address, telephone numbers and fax number, if any, by 1st April 2007, failing which proceedings for their dis-accreditation will be initiated by NIOS. In addition to this all the payments related to PCP, supply of study material etc., may also be withheld. This is being done in order to ensure that there is faster communication in between NIOS and the Accredited Institutions for improving programme delivery of NIOS for its learners. This is also mandatory in view of directions passed by Central Vigilance Commission vide its Circular No. 40/11/06 dated 22nd November 2006 and NIOS office order No. 62/07 dated 2nd March 2007 regarding e-governance for which deadline of 31st March 2007 is fixed.

This issues with the approval of the Competent Authority.
