Dear Colleagues,

I am writing to inform you that I have demitted office as Chairman & Secretary, NIOS on 2nd September 2009. On this occasion, I would like to thank each one of you for the tremendous support and cooperation that you have given me during my tenure. NIOS was able to initiate many innovative programmes, such as Ni-On (NIOS Online) Project for making the system more learner-friendly. The On Demand Examination System for Senior Secondary gave our learners the opportunity to take examinations as per their own requirements. The initiatives under Minority Cell helped NIOS to reach its mandated target group across the country. Our efforts at setting up Model Examination Centres alongwith other reforms in the examination system were instrumental in curbing the malpractices in examinations.

All these efforts have been possible only due to the unstinting support that I have received from the members of the General Body, Executive Board and the staff of NIOS.

Personally my tenure with NIOS was a useful learning experience and I shall continue to take an interest in the affairs of NIOS. The NIOS has a bright future and I am confident that it will grow from strength to strength.

I wish each one of you and your families the very best for the future.

Warm regards,

(D.S. Bist)
